Allen W. Dulles, Director  
 Central Intelligence Agency  
 Washington 25, D. C.

DECLASSIFIED AND RELEASED BY  
 CENTRAL INTELLIGENCE AGENCY  
 SOURCES METHOD EXEMPTION 3B2B  
 NAZI WAR CRIMES DISCLOSURE ACT  
 DATE 2006

Dear Mr. Dulles,

May I submit further information in the matter of Criminal Karl  
 Eichman.

Enclosed is a copy of the JTA news item telling of his presence in  
 the Middle East.

The original source of this item was taken from a series of articles  
 "Deutsche Im Ausverkauf" syndicated by the Swiss "Presse - Agentur  
 Dukos" and published by "Abendpost" a Frankfurt boulevard evening  
 daily. The author who used the name Jens C. Nielsen was actually  
 Heinz Liepmann, Hamburg-Ohlstedt, Ohlstedter Stieg 1. And he told  
 a Dukas official that his series was based on "press clippings".

The name of the engineer who claims to have seen Eichman is Arnold  
 Schleicher.

I realize, of course, that the German Government must concern itself  
 with this Criminal's apprehension and that representations must be  
 made through the State Department. I feel, however, that only the  
 CIA through questioning Engineer Schleicher, can verify the true  
 substance in this report, and once this is ascertained, negotiations  
 through the State Department can begin.

Please assure me that Schleicher will be questioned, for I know that  
 you understand the threat to world security which is involved.

Many thanks for your kind cooperation and awaiting your early reply,  
 I am,

With Torah Greetings,

MIRREY YESHIVA CENTRAL INSTITUTE
